If I get very upset my emotions want to come out all at once! I take a breath to calm down and use my words to say how I feel.

Look at all these emotions. Can you think of things that make you feel like this?

lonely

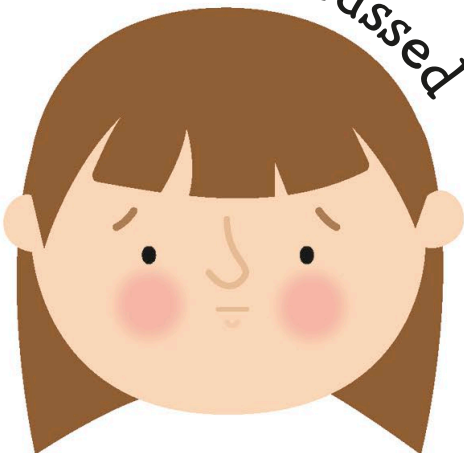

sad

grumpy

embarrassed

What are tears?

Tears are drops of salty water that come from a pouch near the eye. People cry when they are sad or hurt, but also if they are happy and laughing. Weird!
