

Wash your hands!

Keep your hands germ-free with lots of soap and water, especially before eating.

Shower time

Take a shower or a bath to wash yourself with lots of soap. Make shower time more fun by singing as loudly as you can!

Shampoo makes your hair shiny and clean. Keep your eyes closed!

Look after your nails

Your nails keep growing all the time. Have them clipped to keep them short and tidy.

Brush your hair

Brush or comb your hair to keep it from getting all tangled.
