

All the things that you like, from
your favourite toys to the friends
and family you love, also
make you who you are.

The choices you make are
also a part of you. Being kind
and friendly are choices that
you make every day. What will
you choose today?

Your name is who you are!

Practise writing the letters in your
name to learn how to spell it.

Here are some
ways you can
practise.
