

Ups AND downs

Elizabeth was happy to share her royal duties with her family. However, security issues and huge media attention created concern.

By the 1980s, the Queen was a grandmother and was as busy as ever. Elizabeth met people by the thousands, attending up to 400 engagements a year. She visited hospitals, disaster areas, churches, and grand balls. She had meetings with the UK's first female

Prime Minister, Margaret

Thatcher. She gave American President Ronald Reagan and Russian leader Mikhail Gorbachev the
